Term 3

Hello Families!

It's hard to believe we're already approaching the end of Term 3! It has been a busy and productive term, with students working hard to complete their learning tasks and assessments. Learning will continue through to the end of the week, so please ensure your child attends each day.

We hope you have a happy and safe holiday.

Classroom Highlights

- Year 2 enjoyed their Street Science Incursion this week. They learned that pushing and pulling forces are used to start and stop movement.
- The children made a rocket to explore this concept.

Phonic books and home readers

- Phonic books will be sent home for the holidays.
- Please continue to practise the sounds and words with your child during the break. A home reader will also be included in the folder for additional practice.
- Both the phonic book and home reader must be returned on Friday, 10th October.

Reminders

- Please ensure your library book is returned by Friday 19th September.
- School returns on **Tuesday 7th October**

The year 1 and 2 students have presented their opinion writing to the class. The children had to identify their favourite place in the school, providing reasons and supporting details.

In Maths we have been learning to solve addition, subtraction, sharing and grouping word problems using a range of strategies.

We have also looking at 2D and 3D shapes and their properties.

Thank you for your continued support!
