

#### Welcome to our Term 4 newsletter.

We started the term with the most exciting day of the year......

#### THE COLOUR RUN!

After all that excitement we were back in the classroom busy as always. In English we have been learning about retelling stories and how all stories have a **BEGINNING**, a **MIDDLE** and an **END**. Each week we work on a different story. This week our story is - 'The Terrible Plop' Ask your child all about the story and see if they can retell it to you.

In Mathematics we are making patterns, ordering numbers to 20 and learning all about addition.

\*Don't forget to return HOME READING 800KS and LIBRARY 800KS each Wednesday.

## The COLOUR RUN 2025

We are ready to go!

### Oh no.....

we got

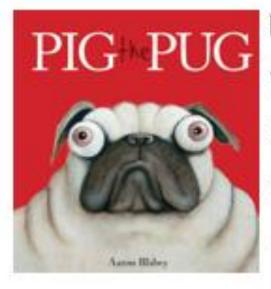

slimed!

#### Our first story for the term.....

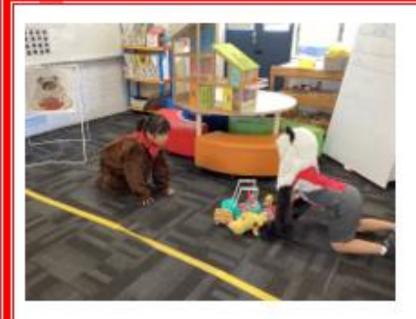

# PIG the PUG.

Pig the Pug was selfish and greedy and did not want to share his toys with his best friend, Trevor.

One day Pig piled up all his toys and sat on top of them so Trevor couldn't play with them. But Pig fell off and soon realised he needed his friend Trevor.

### STUDENTS OF THE WEEK

That's all from me!

Thank you as always for your

support.
