OCTOBER EDITION

Colour Run 10th October

On Friday October 10th, all Eight Mile Plains State School students participated in the Colour Run. It was a very successful event. Thank you to all the families who contributed to the successful fundraising. The students had a blast running through the obstacles and enjoyed sliming the staff.

1A

1/2S

We are busy learning how to retell a story using correct punctuation, including capital letters for proper nouns, exciting vocabulary and adjectives to describe the characters and events.

We are working hard to improve our decoding and comprehension skills. Please continue to read each day with your child to help support them with these skills. It is important that phonics folders are returned each Friday to allow readers to be changed and books to be updated.

What's On

- ✓ week 4 - Mental Health Week
- ✓ Week 5- G.A.T.E.Ways
- Day for Daniel- Wear Red
- ✓ 31/10 School Disco
- ✓ Week 9- Family Picnic Night
