

Chappy News Term 3.

The beginning of term 3 has started well with lots of activities happening in our school

Events of Term 3

We have 2 exciting events coming this term. One is a visit from the radio station 96.5 FM, who will be doing their live "Breakfast Show" at our school. It will be a whole of school event to showcase our small but vibrant school community, with parents invited to the celebrations (and hopefully a coffee van as well)

Bridge to Brisbane!

Sunday, 14th September 2025

Join me at this year's Bridge to Brisbane! It is a fun and exciting way to raise funds for our Chaplaincy service at Eight Mile Plains State School. You can run or walk the 5km or 10km. Chat to me now if you are interested.

Secondly, I will be participating in the Bridge to Brisbane Fun Run again this year as a fundraiser for Chaplaincy here. I would love to have a group of EMPS students, staff and parents who would like to join me in the 5km walk/jog...or

you can do the 10 km run. If you would like to be a part of our EMPS group, please email me and let me know. I am organising hats for us so we can show the world we are part of a wonderful community at Eight Mile plains School.

Just letting you know that if your child wishes to participate, they will require a parent to register as well and be with them on the day. I would love to see you there. (I confess that most of the 5 km I just walk.)

Kids Hope Mentoring Program

I am talking with Tim from Kid's Hope to start the mentoring program for up to 5 students, with dedicated volunteers who are trained and committed to working with a child, for 1 hour each week as a mentor. If you have a heart for mentoring and would like to know more, please email me.

Please know that the I am always available to chat around the school. But if there's a need you have that the chaplaincy service can help to support your child or family, please contact me via email or leave a message at the office.
