

Welcome to another news update from the BUSY BEE CLASSROOM.

We have had some amazing things happening in our classroom this term. The biggest celebration of all was our *100 DAYS of Prep* party. The students had a fun filled day focusing on everything 100! *Miss Julie and I were certainly 100% exhausted by the end of the day!* In the classroom we continue to work hard to improve our handwriting, reading and writing through phonics lessons and sharing rich, engaging stories. We love to act out stories in class giving the students a deep understanding of the stories shared. The children are gaining confidence by getting up in front of the friends acting out the stories. We then write what we **like** and what we **don't like** about events in the stories.

HOMEWORK

Thank you for your support by sending in HOMEWORK BOOKS each Friday. *We have set aside special time on Fridays to go through the book with each of the students allowing them to share what they have completed at home.*

SHOW and SHARE

Thank you for your support with Show and Share. The students have been bringing along some wonderful objects to learn all about what things are made of.

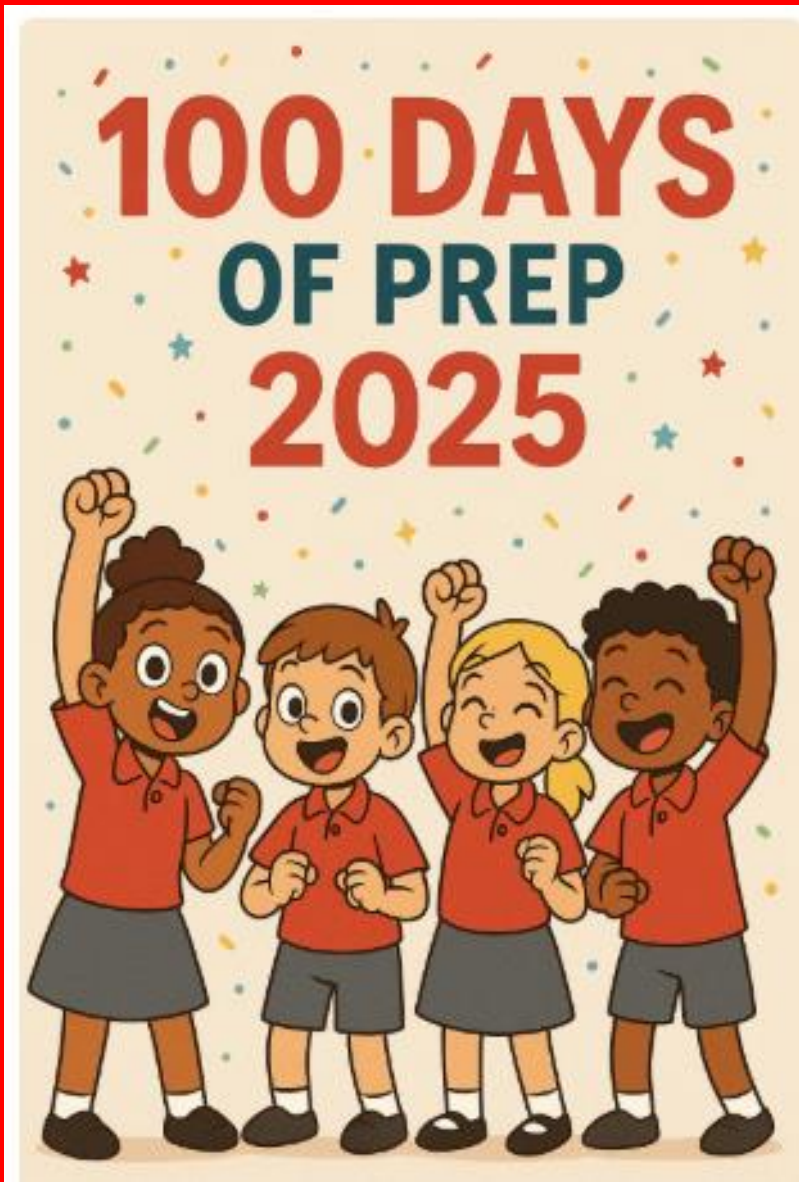

I CAN READ SCRAPBOOKS

I will be sending home these scrapbooks each Friday giving the children the opportunity to share the wonderful stories we read in the classroom with families. *Please send the scrapbook back to school each Monday so we can glue our new reading pages in during the week.*

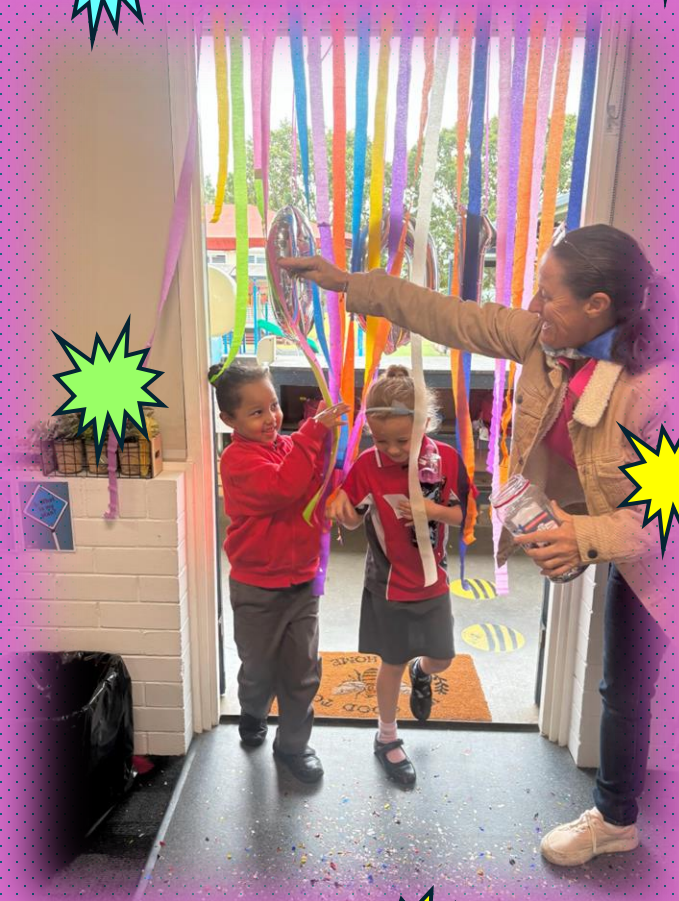

MORNING LITERACY GROUPS

Our literacy groups run each morning from MONDAY through to THURSDAY for 30 minutes. If you have time to stay any Wednesday or Thursday morning to support the children, please let us know. ☺ *Please keep in mind it doesn't have to be every week, it's fine to just stay when you can; the children love it when families come to the classroom!*

Please enjoy some photos from our classroom!

Come on in and
have some fun!
