

Week 8 - News from Year 4

This is just a quick newsletter so we can share our photos from Book Week. Take a look at our costumes and the winning books for 2025.

As the end of term approaches very quickly Year 4 is looking forward to our Science Incursion on Tuesday 16th September (thanks Mrs N for all your organisation) and our much-awaited-for excursion to Lone Pine (bring on the sunshine). We have so many things we want to check out in person.... Like Armaan wants to know where a cassowary puts it's legs when it sits on it eggs to incubate them. We are also hoping that there might be some cassowary chicks running around.

As this is our last newsletter for the term, we wish everyone a safe and relaxing September holiday break. We are hoping everyone returns refreshed and ready for a busy Term 4.

Book Week with Year 4

With the winning titles

Winners are Grinners

These students won a book prize or a voucher to spend at our school book fair just for dressing up!

Remember it costs nothing to be kind
